

Stéphane Mercier and Charles Loos have been playing in a *traditional set-up* quartet since 2006 only, and even though the chemistry and its magic was present from the very first note they played, the group gained maturity in an unusual fast manner. *Walking the soul map* proves it. Whatever the material is: originals, standards or covers, the quartet offers deep swing, melancholy, energy, humor, and at times all of it together...

01	Team Spirit S.Mercier (Ed. Jean Kluger)	05'32"
02	Back to the land Lester Young	04'08"
03	Virginie Fatima S. Mercier / Crea-son sprl / S. Mercier	06'31"
